

# 4B JANUARY NEWS

## LEARNING HIGHLIGHTS

### Language Arts:

- We are beginning our reading unit focused on nonfiction books.
- Completing 'Thank You Letters' (Please watch for a sticky note coming home in the coming weeks to provide an address for mailing our letters).
- Developing our skills with sentence starters and dress-ups

### Math:

• We have completed the multiplication portion of our 'Multiplication and Division of Large Numbers' unit. We are going to be learning long division in the coming weeks. Please have your child continue to practice multiplication and division to 12x12. They will need quick recall of these facts for this unit.

# 4B JANUARY NEWS

## LEARNING HIGHLIGHTS

### Science:

•We are starting a unit on 'Energy' which includes non-contact forces like: gravity, friction, and magnetism.

### Social:

•This month students will be completing a partner project on the Grassland, Foothills, or Boreal Forest regions of Alberta.

### Bible:

•We are studying the Holy Spirit and His work in our lives.

## GRADE 4 READING DAY

On Friday, January 24, will be a Read-A-Thon morning in grade 4. The kids may wish to wear comfy clothes/pajamas, bring a stuffed animal, and a stack of good books. Our goal is to read for the entire morning.
